"Duplicate certificate shall be made setting forth the charter proposed and its ratification, which shall be signed by the chief magistrate of said city or village and authenticated by its corporate seal. One of said certificates shall be deposited in the office of Secretary of State, and the other, after being recorded in the office of the Register of Deeds for the county in which such city or village lies, shall be deposited among the archives of such city or village, and all courts shall take judicial notice thereof."

The certificates provided for in the Constitution of the State of Minnesota, Article 4, Section 36, being deposited and recorded as thereby required, the charter shall take effect at the end of 30 days from the date of the election, and shall then supersede all other charter provisions relating to such city or village. Thereupon the courts shall take judicial notice of the new charter and, upon the election of officers thereunder, the officials of the former corporation shall deliver to them the records, money, and other public property in their control."

When two or more persons shall receive an equal number of votes for the same office, the election shall be determined by the casting of lots, in the presence of the council, at such time and place and in such manner as it may direct.

PRIMARY ELECTION

SEC. 8a. On the third Tuesday preceding any general or special election, held for the purpose of electing city officers, an election of nominees, hereinafter designated as the "primary election" shall be held in each election district for the selection of candidates for all elective offices within the City of Willmar to be filled at such ensuing election.

The City Clerk shall give at least ten (10) days' posted and published notice of the time and place of holding the same, of the hours during which the polls will be open, and of the offices for which candidates are to be nominated.

At such primary election the polls shall be kept open from 9 o'clock a. m. until 9 o'clock p. m.

The council shall appoint three judges in each election district for

each general or special election, who shall appoint or select clerks of election, and such judges and clerks shall act on the day of such primary election as judges and clerks thereof, and vacancies may be filled and additional appointments made as in the case of elections. The compensation for services of judges and clerks of election shall be fixed by the City Council.

At said primary election the judges shall make duplicate lists of all qualified voters who vote at such primary, and shall add thereto the names of all other persons entitled to vote at the ensuing election, containing the said names in alphabetical order and their places of residence. They shall cause copies of such lists to be posted in three public places in the district at least fifteen (15) days before the election.

At said primary election there shall be nominated by the qualified electors, two candidates for every office to be filled within the city at the next ensuing general or special election, which candidates shall be nominated as follows:

At least fifteen (15) days before the said primary election, any person, eligible and desirous of having his name placed upon the primary ballot as a candidate for any office to be voted for at said primary election, shall file, or cause to be filed, with the City Clerk of said City, a petition, signed by at least ten (10) qualified voters of said City, or election district, as the case may be, which petition shall state the name and residence of such person, the office for which he desires to be a candidate, that he is a qualified voter in said City or the sub-division thereof in which he seeks to be nominated and that he possesses the qualifications required by the Charter of said City for persons holding such office.

It shall be the duty of the City Clerk to provide a sufficient number of primary ballots for each election district, such ballots to have printed thereon the names of all persons by or on behalf of whom petitions have been filed as hereinbefore provided together with the designation of the office for which the nomination is sought. Where more than one name is presented for nomination for the said office, such name shall be placed upon the primary ballot in alphabetical order. Below each designation there shall be a blank line upon which the voter may write the name of any other person as his choice of a nominee for such office;

During the week preceding such primary election the City Clerk shall cause a sample ballot to be published in the newspapers in said City.

The City Clerk shall also furnish the judges of election in each district with suitable tally sheets and blanks for election returns.

Immediately after the close of the polls, the judges shall proceed to canvass and count the votes cast at such primary election in public and continue until completed and the result declared, and they shall make returns to the City Clerk within 12 hours after completion thereof.

The City Council shall meet within three days after any primary election and canvass the returns of votes cast at such election and declare the results thereof.

The two persons having the highest number of votes for any elective office shall be notified of that fact by the clerk and shall be candidates for such office at the ensuing election, unless within two days after notification they, or either of them, file with the clerk a refusal to be a

candidate, in which event the person or persons having the next highest vote shall be notified by the clerk and this process shall be continued until two candidates are secured, or the list of all those voted for at the primary shall be exhausted, and the person or persons so finally determined by this process to be the candidate or candidates shall be entitled to have their names placed upon the official ballot used at the ensuing election. In case of a tie vote the nomination shall be determined by the casting of lots in the presence of the clerk at such time and place and in such manner as he may direct.

Nothing herein shall be construed as prohibiting the nomination of any person as a candidate for any elective office by means of a certificate of nomination filed with the clerk at least ten (10) days before the election and signed by a number of qualified voters equal to at least ten per cent of the number voting at the last city general election for the office in question as provided by the Statutes of Minnesota relating to 'nomination of voters' but no such certificate shall be signed until after the holding of the primary election and no person shall sign such petition who voted in the primary.

The clerk shall provide a sufficient number of ballots for such election for each election district and shall print thereon, under headings properly designating each official position, the names of the candidate or candidates nominated at the primary election, together with the names of all who may have been nominated by a certificate of voters, leaving a blank space or blank spaces, as the case may be, under each designation in which a name or names may be written by the voter, and the names of such candidates shall be rotated or alternated on said ballot as provided in the Statutes of Minnesota, and such ballot shall be the official ballot for such election.

No party or other designation shall be placed on any of such ballots, nor shall any candidate be permitted or required to state his party affiliation.

No fee shall be charged any candidate for the placing of his name on the official ballot as a candidate for any office.

SEC. 9. Any elective or appointive officer, changing his residence from the city, or any alderman from the ward for which he was elected or appointed, and any such officer who shall refuse or without cause, neglect to enter upon the discharge of the duties of his office, for ten days after the beginning of the term for which he was elected or appointed to fill, and ten days after being notified by the clerk of his election or appointment, shall be deemed to have vacated and abandoned such office.

REMOVALS

SEC. 10. An elective or appointive officer provided for by this charter may be removed from his office by the affirmative vote of two-thirds of all the members of the council; but no such officer shall be removed except for cause, nor unless he has first been furnished with a copy of the charges against him and has had reasonable opportunity to be heard in person or by counsel in his own defense. The council shall have the power to fix the time and place of trial of such officer (who shall be given at least ten days notice thereof), to arrange the mode of trial, to compel the attendance of witnesses and the production of papers, to administer oaths, and to hear the proofs and arguments. If such officer shall neglect, after due notice, to make answer to such charge, the same shall be cause for removal without further notice. When any such

hearing is ended the council shall forthwith proceed without debate to vote viva voce, on roll call, upon a motion declaring such officer removed. Among such causes shall be continued absence by aldermen from meeting of council, or by any member of a board from the meetings of such board, or neglect of duties by any officer.

SEC. 11. No person shall be eligible to any office under this charter who is not at the time of filing his nomination certificate or at the time of his appointment to such office a qualified elector of the City of Willmar, or who is at such time interested in any contract with the City of Willmar to which he is a party either individually or as a firm. The term "contract" as used in this section shall be construed to include any transaction of sale, barter or exchange by which any property is transferred or acquired by said city, or labor or services are performed for said city.

SEC. 12. No officer or employe of the city shall vote for or make any contract in behalf of said city or any department thereof with himself or with any firm of which he is a member, nor shall he be in any manner directly or indirectly interested in any contract with the city, and any contract in which any such officer or employe is or becomes directly or indirectly interested shall be and become absolutely void; and any such officer by the fact of such vote shall forfeit his office, and any money which shall be paid on such contract by the city may be recovered back from any or all the persons interested therein by a joint or separate action; provided, that this section shall not be construed to apply to a contract for the deposit of funds of the city.

SEC. 13. Any officer or employe of the city who shall willfully or negligently violate any of the provisions of this charter, or convert any of the public property to his own use, or knowingly permit any other person to so convert it, shall be guilty of a misdemeanor, and shall upon conviction be punished, when any punishment thereof is not otherwise provided by law, as misdemeanors are punishable by the criminal laws of this state, and on conviction thereof shall also forfeit his office and shall be liable to the city for any amount of loss or damages suffered by reason of such violation of law.

SEC. 14. Whenever a vacancy shall occur in any of the elective or appointive offices provided for by this charter by reason of death, resignation, change of residence, refusal or neglect to enter upon the discharge of his office, or any other cause, such vacancy shall be filled for the unexpired term by appointment of the council; provided, however, that when such vacancy shall occur in the office of mayor or alderman, and such vacancy occurs more than six months before the expiration of the term for which he was elected, then such vacancy shall be filled by a special election to be held on the Tuesday next following the expiration of forty days from the date when such vacancy occurred. If any elective officer excepting constable is not elected for any reason at the time when he should be elected under this charter the council shall forthwith hold a special election to fill the vacancy, except where other provision is made herein for such emergency.

Said board shall meet at the office of the clerk on the second Monday in September each year, and may adjourn from time to time as may be made necessary by the duties hereby required of it, but not later than the 30th day of September. Said board shall consider, determine and fix a maximum rate of taxation for the various purposes for which the council is authorized to levy taxes for such year, and it shall be the duty of such board to reduce the maximum rate of taxation for such purposes to the lowest practical limit, and the clerk shall, on or before the first day of October, certify to the council such maximum rate, and the council shall, thereupon, make such levy as it may deem necessary.

FUNDS

SEC. 91. There shall be maintained in the treasury the following funds: A sinking fund, a permanent improvement fund, a permanent improvement revolving fund, an interest fund, a water and light fund, a poor fund, and such other funds as the council may by resolution or ordinance direct.

1. The sinking fund is created for the purpose of accumulating money to pay the principal of the bonded indebtedness of the city, and for the maintenance of this fund there shall be levied an annual tax of 3 mills on the dollar of the assessed valuation of all taxable property in the city. There shall also be assigned and placed in the sinking fund twenty-five per cent of all license fees collected by the city and twenty-five per cent of all fines paid into the treasury, and the treasury shall keep a separate account with the city depositors of all moneys belonging to the sinking fund and the treasurer is hereby forbidden to place, any money hereby appropriated to the sinking fund in any other fund.

There shall also be paid into the sinking fund all taxes collected to pay interest in excess of the amount required to pay such interest.

SINKING FUND COMMISSIONERS

The mayor, clerk, treasurer and attorney shall constitute a board of sinking fund commissioners, and the council may, by resolution, define such duties for said board as are not herein provided. Said commissioners shall have charge of the sinking fund, and shall, by and with the consent of the council, invest the same in bonds or other obligations of the city, issued pursuant to this charter, or in such other bonds as are permitted by law for the investment of the public school fund of the State of Minnesota, or in any county or school bonds of this state. In case of investment in the bonds or other obligations of the city the same shall not be cancelled, but shall be held in the sinking fund, and the interest thereon shall be paid over and applied to such sinking fund. Whenever any bonds of the city shall become due, the said commissioners shall, by and with the consent of the council, dispose of such bonds then in said fund as, with the money on hand belonging to the same, shall be necessary to pay such maturing bonds. And said commissioners, by and with the consent of the council, may dispose of any of the bonds in said fund at such other time as said commissioners and council may deem for the best interests of said fund. Whenever the amount of such sinking fund, together with the interest and revenue therefrom, computed to the time of the maturity of the city bonds, is sufficient to pay all of said bonds, the levy of 3 mills hereinbefore provided for may be omitted, and the money otherwise devoted to this fund may be diverted to other funds; but, in case of decrease of interest, or for any other cause, said fund shall, in the judgment of the council, be

insufficient to pay said bonds of the city at maturity, such tax shall be resumed.

Said commissioners shall make a detailed report to the council on the 15th day of March each year, and at such other times as the council may require, and said report shall show the condition of said sinking fund, the nature and value of each of the securities thereunto belonging, with the full description of said securities.

Any tax payer of the city, or any of the owners of the bonds of this city, shall have the right to maintain, in a court of competent jurisdiction, any proper action or proceeding to enforce, upon the part of the council or said commissioners, compliance with the provisions of this section. Whenever, at the maturity of any bonds of the city, said sinking fund shall not have money in it sufficient to pay the bonds so maturing, and whenever the council shall deem it advisable and for the best interests of the city to take up any outstanding bonds not due, the council may issue other bonds of the city, to run not exceeding twenty years, on such terms as to place and times of payment and rate of interest as may be deemed advisable, and in such amount as may be necessary to meet such deficiency, and to make up and refund such bonds if not due; provided, that refunding bonds shall in no case draw a higher rate of interest than the bonds taken up.

2. The permanent improvement fund is created for the purpose of paying the costs of all real property and all rights therein, and all improvements thereon which the city may have or acquire for its various purposes, payment for which is not otherwise provided for out of other funds, and also for the purpose of paying such portions of the expense of local improvements as shall devolve upon the city.

There shall be paid into this fund all moneys received from the sale of any permanent improvements or property of the city, the proceeds whereof are not otherwise disposed of under this charter, and also such amounts as may from time to time be realized from the sale of bonds issued on account of this fund, and the principal sum of all excess of assessments for water mains and sewers. It shall be further maintained by an annual tax which shall be levied by the council as a part of the annual tax levy.

3. The permanent improvement revolving fund is created for the purpose of providing money for paying for that portion of local improvements, under the provisions of this charter, for which assessments may be levied. It shall not be supported by taxation. There shall be paid into it all moneys received from all assessments levied under this charter for local improvements, and also such amounts as may be realized from the sale of bonds or certificates authorized therefor in this charter.

4. The interest fund is created for providing moneys for the payment of interest to become due during the next fiscal year upon the outstanding bonds of the city. It shall be maintained by an annual tax levy, made by the council, upon all taxable property of the city, of such an amount as will be sufficient to pay such interest.

5. The water and light fund is created to provide for the support and maintenance of any plant owned or operated by the city for furnishing to the city or its inhabitants water or light, and of paying the cost of the purchase, construction, extension, operation, maintenance and repair of the city water and light plant, and the interest on all bonds and

outstanding obligations issued on account of said water and light plant.

This fund shall not be maintained by taxation, but there shall be paid into it all moneys derived from the sale of any property acquired for or used in connection with the water and light plant of the city; also, the proceeds of all special assessments levied on account of or in connection with such water and light plant; also, such amounts as may, from time to time, be realized from the sale of bonds issued on account of said plant; and, also, all moneys received from the operation of said plant, including water and light rates, rentals and penalties.

It shall be the duty of the water and light commission, provided for in this charter, together with the council, within four months after the adoption of this charter, to make an estimate of the amount of the outstanding bonds against the city, properly chargeable to the construction of the present water and light plant, and the interest on such bonds shall be paid from this fund, beginning with the installment of interest falling due next after the first day of October, 1901.

Should there be any accumulation of money in this fund beyond the needs thereof the council may, by resolution passed by a two-thirds vote thereof approved by a two-thirds vote of the members of the water and light commission, notice of which approval shall be filed in writing with the city clerk, may direct that a sum not to exceed 50% of the money in the general water and light fund to be transferred to the general fund of said city or to any other city fund, and upon a like vote and like approval may direct a transfer of a like sum, part to one fund and part to another fund or other funds.

6. The poor fund is created for the purpose of providing money to be paid out in taking care of the poor of the city, and in case the city council shall so determine, in providing moneys for the purpose of acquiring by purchase or condemnation proceedings, a poor farm or lot, tract or parcel of land within or without the city upon which to erect, construct and maintain necessary and proper buildings thereon for the accommodation and support of the poor of the city. This fund shall be supported by taxation, but no larger amount shall be levied therefor in any one year than one and one-half mills on the dollar of the assessed valuation of the taxable property of the city; provided, in case the council shall determine to acquire property by purchase or condemnation as aforesaid and of erecting the necessary buildings thereon as aforesaid, then no greater amount shall be levied for such purpose in addition to the one and one-half mills, than the sum of two thousand and four hundred dollars, no more than one-half of which sum shall be levied in any one year.

7. The general fund is created to provide moneys for the payment of all legal obligations of the city. It shall be maintained by tax levy, and there shall also be paid into it all moneys belonging to the city not specifically designated as belonging to any other fund.

THE SEVERAL FUNDS

SEC. 92. The income and revenue of the city paid into the treasury shall at once, by the treasurer, under the direction of the clerk, be apportioned to and kept in the separate funds established by this charter and by the council, and it shall be unlawful to transfer money from one fund to another, or to divert money from the fund to which it belongs, except that, when there shall be a surplus of cash to the credit of any such fund, the council may, by resolution passed by a three-fourths vote of all its members, authorize said surplus cash to be placed in the sink-

ing or interest fund, and except that moneys in the general water and light fund may be transferred to other funds as provided in the last paragraph of sub-division No. 5 of Sec. 91 of Chapter V of this charter; provided, that money shall never be transferred to any other fund from the sinking fund until the several purposes for which said fund has been established and maintained shall have been fully accomplished.

NO DEBT CREATED WITHOUT AUTHORITY OF THE COUNCIL

SEC. 93. None of the departments respectively of the city or any officer of such department shall have power or authority to make any contract or to create any debt against the city before the council shall have authorized the same by a two-thirds vote of the members thereof; and no committee of the council or officer thereof shall allow or approve any claim in favor of any person, firm or corporation for any purpose whatever unless the creating of such claim or the incurring of such indebtedness shall have been previously authorized by the council. Every requisition from any officer, department or commission to purchase supplies or create any indebtedness against the city shall be itemized.

Such ordinance for the issuance of bonds, may provide that the same shall be general obligations of the City of Willmar or that they shall not be general obligations, but shall be payable out of any assessed taxes, assessments, funds or liens held by the city, or may limit the city's liability thereon in any other manner; or shall guarantee that the city shall pay for the same, provided, that the bonds so issued under sub-division two above mentioned shall always be general obligations of the city.

They shall be numbered consecutively, and be in denominations of fifty dollars, or a multiple thereof, and may have interest coupons attached, and shall be otherwise of such form and terms and with the coupons be made payable at such place as will best aid in their negotiation, and the proceeds of the tax assessed and collected aforesaid on account of said fund, and the faith and credit of the city are irrevocably pledged for the redemption of the certificates so issued, except as in this chapter provided.

ized by the general statutes of the state, and the violation of any city ordinance shall be deemed a public offense.

SEC. 129. The mayor or acting mayor, the chief of police, the sheriff of the county and all police officers and constables shall be conservators of the peace. Any member of the police department who shall accept, directly or indirectly, from any person while in his custody, or after he shall have been discharged, any gratuity or reward, or any kind of intoxicating drink, or who shall receive from any person without the written permission of the mayor any reward for the arrest of any thief or recovery of any goods or money, or compensation for damages sustained while in the discharge of his duties, shall be deemed guilty of a misdemeanor, and shall be subject to a fine of not exceeding one hundred dollars or imprisonment not to exceed ninety days.

COMPENSATION TO BE FIXED BY COUNCIL

SEC. 132. Except as otherwise herein provided, the compensation of the chief of police, patrolmen and other employes of the police department shall be fixed by the council in the same manner as the compensation of the city officers.

CHAPTER X

CONTRACTS

DEFINITIONS

SEC. 133. All contracts for commodities or service to be furnished or performed for the city or any department thereof involving an expenditure of more than five hundred dollars shall be made as in this chapter provided, and not otherwise.

The words "commodities" and "service" as used in this chapter shall be construed to include all work, labor, materials, supplies or other property, and all lighting and other service, and all local or public improvements.

The word "contract" as used in this chapter shall be construed to include every agreement, in writing or otherwise, executed or executory, by which any commodities, work or service are to be furnished to or done for the city, and every transaction whereby an expenditure is made or incurred on the part of the city or any department or officer thereof.

All action in this chapter required or authorized to be taken by the council shall be by resolution or ordinance.

ESTIMATES, AMOUNT OF CONTRACT

SEC. 134. The council in the first instance shall, on its own motion, or may, on the recommendation or report of any department or officer of the City of Willmar, determine in a general way the commodities, work or service to be done or furnished and shall fix the estimated cost thereof, and in order to determine such estimated cost may require estimates from any officer or employe of the city.

In case such estimated cost, as determined by the council, shall not exceed the sum of five hundred dollars, the council may direct the commodities, work or service to be procured by or through the proper department or officer of the city without public bids.

In all cases where such estimated cost shall exceed the sum of five hundred dollars, said commodities, work or service shall only be furnished or done upon public bids or procured in the open market.

PLANS AND SPECIFICATIONS

SEC. 135. Before advertising for bids the council shall cause to be prepared by the proper department or officer of the city and filed with the clerk detailed plans and specifications and the proposed contract for commodities and service.

ADVERTISING

SEC. 136. After filing the same the council shall direct the clerk to advertise for bids for doing or furnishing said commodities or service in accordance with such contract, plans or specifications. Such advertisement shall be published in the columns of the official paper, and in such other papers and at such other times and in such other manner as the council may direct.

All advertisements for bids shall clearly state that such bids are to be received and opened at a public meeting of the council, in the council chamber, upon a certain day and hour.

CERTIFIED CHECKS

SEC. 137. In advertising for any bid the council shall require any bidder to deliver his bid and a certified check upon any reputable bank of this state, payable to the City of Willmar, for at least ten per cent of the total amount of such bid, which check and the amount thereof shall be forfeited to the City of Willmar as liquidated damages if the bidder, upon the letting of a contract to him, shall fail to enter into the contract so let. All advertisements for bids shall reserve the right to reject any and all bids.

RECEIVING AND OPENING BIDS

SEC. 138. At the time and place mentioned in the advertisement for bids the council shall meet in public session, and publicly receive, open and read all bids that may be presented. Before any of said bids are opened they shall be numbered consecutively, and no further bids shall be received after any bid has been opened. The council shall give all persons who desire the same an opportunity to inspect all bids when they are opened. No bid shall be considered when not accompanied by the certified check.

ACTION BY COUNCIL

SEC. 139. The council shall act upon such bids, and determine which one shall be accepted. All contracts shall be awarded to the lowest reliable and responsible bidder complying with the foregoing requirements; and in determining who is the lowest bidder, the council may take into consideration the character, quality, efficiency and economy of the materials or commodities to be furnished, and the character and quality of the work to be done and performed, or the extent and amount of the service to be rendered; provided, that the council may reject any bids which it may deem unreasonable or unreliable, and the council in determining the reliability of the bid shall consider the question of the responsibility of the bidder and his ability to perform his contract, without any reference to the responsibilities of the sureties on his bond, and any person who shall have defaulted in any contract awarded by the city (except as to time), or who shall have refused to enter into a contract after the same shall have been awarded to him, shall not be considered a reliable and responsible bidder.

In all cases the council may reject all bids and abandon the proposed contract, or it may require the clerk to re-advertise for new bids in the manner hereinbefore provided, or, for good cause shown and where it appears that a saving can be effected, the council may, upon a three-fourths ($\frac{3}{4}$) vote of all the members thereof, purchase the materials or commodities in open market or provide that the work be done by day labor.

All contracts shall be executed by the bidder within five days after the contract is ready for his signature, and if not executed by him in said time he shall be deemed to have abandoned the same.

PERFORMANCE OF CONTRACTS

SEC. 140. After the acceptance by the council of any bid it shall direct the execution of a contract by the proper officers in accordance therewith, and also in accordance with the said plans, specifications and proposed contract, and such contract shall be carried out by the proper department or officer of the city as in this chapter provided.

In case the council shall determine that any commodities or service

are to be procured in open market, the same shall be procured or done by the proper department or officer in accordance with such general directions as the council may give.

BOND

SEC. 141. Every person to whom a contract is awarded for an amount exceeding two hundred dollars shall give bond, in such sum as the council may direct, and with such sureties as the mayor may approve, for the faithful performance of such contract.

In the case of all other contracts the council may require a bond, and in all cases of contracts coming within the purview of Chapter 354 of the General Laws of 1895 of the State of Minnesota and the amendments thereto it shall require such bond as is required by such laws.

EXPENDITURES

SEC. 142. It shall be the duty of each officer or head of a department to report to the council quarterly the commodities, work and service likely to be needed for the operation of this department or office during the remainder of the then fiscal year, and not theretofore contracted for.

EMERGENCIES

SEC. 143. In case of emergency, and when the delays provided for in this chapter will cause great damage to the public interest, or endanger public safety, the head of any department, with the written approval of the mayor, may make necessary repairs by day labor and procure materials therefor in the open market.

CONTRACTS NOT TO BE ASSIGNED

SEC. 144. No contract for which a bond or deposit is required as provided in this charter shall be assigned or transferred in any manner, and any assignment or transfer thereof, except by operation of law, and except by consent of council expressed by resolution, shall fully end and determine such contract, and shall make the same null and void as to any other or further performance thereof by the contractor or his assigns without any act on the part of the city; and the city, through its proper authorities, may at once proceed to re-let such contract, or may at its discretion proceed to complete the same as the agent and at the expense of such contractor and his sureties.

AFFIDAVITS THAT CLAIMS ARE PAID

SEC. 145. Before any contractor or his personal representatives shall receive any payment on any estimates on any contract for which a bond or deposit is required, as provided in this chapter, said contractor or his representatives shall make and file with the clerk an affidavit that all claims for all work and labor to date, on the work for which an estimate is asked, have been fully paid.

PENALTY

SEC. 146. Any contract made in violation of the provisions of this chapter shall be absolutely void, and any money paid on account of such contract by the city, or any department or officer thereof, may be recovered by the city, without restitution of the property or the benefits received or obtained by the city thereunder.

Any officer of the city violating any provision of this chapter shall thereby forfeit his office, in addition to all other penalties prescribed therefor, and such office may be declared to be vacant by proper proceedings in the courts of the state or by action of the council as provided for in this chapter.

CHAPTER XI

The mayor and each alderman shall receive \$3.00 for each and every regular council meeting attended and \$3.00 for each and every adjourned or special council meeting attended, to be paid out of the general fund; provided, however, that neither the mayor nor any alderman shall be paid for more than twenty-four regular council meetings or for more than twelve adjourned or special council meetings in any one year.

Each year there shall be set apart from the general fund three hundred dollars for the mayor's contingent expenses, which shall be paid out by the treasurer upon the mayor's warrant, and which he may expend for any purpose connected with the proper discharge of the duties of his office. He shall file proper vouchers for all such expenditures, and if any part of said sum remains unexpended at the close of the fiscal year, it shall be returned to the general fund.

EMPLOYES

SEC. 148. The compensation of all employes of the city shall be fixed by the council except as herein otherwise provided, and such compensation shall be paid monthly in the discretion of the council.

SALARIES NOT CHANGED

SEC. 149. The salaries of the officers of the city shall not be increased or diminished during the term for which any such officer shall have been elected or appointed, nor during the period intervening between the election or appointment of any such officer and the commencement of his term of service; provided, that this section shall not apply to the members of the water and light commission.

All officers appointed or elected under the former ordinance of the city, who by the terms of this charter continue to act as officers after this charter goes into effect, shall receive the compensation herein provided for such office.

GIFTS

SEC. 150. No officer or member of any board or employe of the city

shall directly or indirectly, in or about the performance of his office or position, ask or receive any gift, compensation, gratuity, reward or other valuable thing whatever, excepting the salary or fees prescribed herein.

BONDS

SEC. 151. The council may require bonds from any officer or employe of the city in those cases where a bond is not required by the terms of this charter, and may fix the amount of the bond so required by it, and make any regulations it may deem proper in regard to the sureties thereon.

CORPORATE SURETIES

SEC. 152. The sureties on all bonds required of officers and employes and others by the terms of this charter may be surety corporations, authorized under the general laws of the state to do surety bond business and to give such bond; but such bond must be approved by the council.

CHAPTER XII

EMINENT DOMAIN AND LOCAL IMPROVEMENTS

PART I

EMINENT DOMAIN

POWER TO ACQUIRE PROPERTY

SEC. 153. The City of Willmar is hereby empowered to acquire, by purchase, condemnation proceeding or otherwise, any property, corporeal or incorporeal, wheresoever situated, either within or without the limits of the city, which may be needed by the city or any board or department thereof for any public purpose whatever.

And the fact that the property so needed has been obtained by the power under eminent domain, or is already devoted to a public use, will not prevent its acquisition by the city.

Where nothing is specified to the contrary the city, in any acquisition of property shall be deemed to have acquired the fee title and absolute ownership of such property, except in case of streets and alleys.

The City of Willmar is hereby empowered, except as hereinafter specified, to levy assessments upon any property benefited by any improvement which may be made by the council under the provisions of this chapter, to the extent of such benefits, without regard to valuation.

LIMITATIONS

SEC. 154. Except in cases of improvements to abate a nuisance, no real estate shall be assessed for benefits resulting from the taking or injuring of real property unless the owners of at least one-half of the real estate to be assessed therefor, as appears by the last assessment for general tax levy found in the office of the auditor of Kandiyohi county, Minnesota, at the time of the presentation to the council of the petition for improvement, shall petition therefor, which petition shall be in writing and filed with the clerk.

In case of condemnation of land for parks, parkways or boulevards, at least one-half of the total damages and expenses thereof shall be a general charge on the city, and payable out of the general fund.

In all cases where the total damage and expense of taking or injuring real estate for any improvement shall not exceed one hundred and fifty dollars the same shall be a general charge upon the city and payable out of the appropriate fund, and if there be no such fund, then out of the general fund. Two or more improvements described in the foregoing section may be combined in one proceeding, if deemed best and so ordered by the council.

DIVISION I

PROCEDURE WHERE THERE MAY BE AN ASSESSMENT FOR BENEFITS

SEC. 155. When the council shall determine that it is necessary to take, damage or destroy any property of any description for any public purpose, it shall declare the same by resolution, in which shall be stated

in a general way the nature and extent of the proposed improvement, and the property proposed to be taken therefor, and the property, if any, that shall be benefited by such proposed improvement, and upon which assessments therefor shall be made. Thereupon the clerk shall publish a notice in the official paper, once a week for two successive weeks, stating that said matter is pending before the council, and describing, in a general way the property proposed to be taken, and the other facts specified in said resolution, and fixing a time and place when and where any person may be heard by the council concerning the taking of such property and the assessment upon such other property of the cost of said improvement; and it shall be the duty of the council at such time and place to hear any person who may wish to be heard concerning such taking and concerning the assessing upon such other property of the cost of such improvement. Objection to either such taking or assessment may be in writing, and filed with the clerk at least one day before the time set for the hearing. Thereupon the council shall cause to be made and filed with the clerk a plat and survey of such property, showing the nature, course and extent of the improvement, and the property necessary to be taken, damaged or destroyed therefor, and the parcels of land to be benefited thereby, together with the names of the owners of each parcel of such property, as the same appears upon the last assessment roll in the office of the county auditor of the county in which the property is situated at the date of the resolution above referred to, together with such statements as may, in the opinion of the council, be proper to explain such survey and the nature and extent of such proposed improvement; and such plat and survey may be amended, modified or changed. And if the council decide after said hearing to proceed with such condemnation and assessment, it shall, by resolution, adopt such plat and survey and order and direct the making of the improvement, and the assessment of the survey of the property benefited to pay the costs thereof.

COMMISSIONERS

SEC. 156. After the passage of the resolution specified in the foregoing section the council shall then, or at a subsequent meeting, appoint three commissioners, all of whom shall be freeholders and electors of the city, and not in any way interested in any property to be affected by this proceeding, to view the premises, and ascertain and award the amount of damages and compensation, if any, to be paid for the property to be taken or injured for such improvement, and to assess the amount of such damages and compensation and the expense of the improvement, so far as the same can be assessed, upon the lands to be benefited by such improvement, in proportion to the benefits to be received by each parcel, without regard to valuation. Two of said commissioners shall constitute a quorum, and be competent to perform any duties required of the whole number thereof. Before entering upon the discharge of their duties such commissioners shall take and subscribe an oath to discharge their duties with fidelity, and make a just and impartial appraisal and award of damages and assessment of benefits, which oath shall be filed with the clerk; and in case any such commissioner shall fail to qualify in five days after being notified by the clerk of his appointment, or in case of vacancy for any cause, the council may appoint another to fill the vacancy.

SERVICE OF NOTICE

SEC. 157. Said commissioners shall give fifteen days' notice, by one publication in the official paper, of the time and place when and where they will meet to make said award and assessment, or said award, in

which notice they shall describe the land to be condemned by general description, and shall specify the purpose of the assessment and in a general way what property will be assessed therefor. They shall cause a copy of such notice to be served in the manner in which a summons in district court is required to be served upon all owners of the lands to be condemned, as appears by the last assessment list in the office of the auditor of the county in which said lands are situated, who can be found in Kandiyohi county, and also upon all persons occupying said lands; and they shall mail, with postage prepaid, a copy of such notice to all non-residents of Kandiyohi county appearing to be interested in said lands to the last known postoffice address of such non-residents. Proof of the service of such notice shall be made by affidavit of the party serving the same, and shall state the time, place and manner of said service, and, if served by mail, how each notice was addressed, and such affidavit shall be filed in the office of the clerk.

FAILURE TO SERVE NOTICE

SEC. 158. In case of failure of such commissioners to serve such notices, or any of them, said commissioners shall forfeit their right to compensation for their services, and the council in such case is hereby forbidden to grant to them or any of them any compensation whatever for their services as commissioners.

VIEWING PREMISES—TAKING EVIDENCE

SEC. 159. The commissioners shall view the premises to be condemned, and receive any legal evidence that may be offered for the purpose of proving the true value thereof and the damages that may be sustained or the benefits that may be conferred, if such benefits are assessable by reason of the contemplated improvement; and said commissioners for this purpose are hereby authorized to administer oaths to all witnesses produced before them, and may adjourn the meeting from time to time to place until such assessment is completed; and said commissioners shall have authority to send for persons and papers and to compel attendance of witnesses, and shall have authority to issue subpoenas for such purpose.

HEARING

SEC. 160. All persons interested in any property so to be condemned, or in any real estate to be assessed for such improvement, and the attorney of the city may be present and be heard and adduce evidence before said commissioners at said hearing. If, at the hearing, additional property to that described in the notice shall be included in the assessment for benefits or part of the property be excluded therefrom, no new notice shall be necessary.

APPRAISEMENT OF DAMAGES

SEC. 161. After viewing the property and hearing the evidence offered such commissioners shall prepare and make a true and impartial appraisal and award of the compensation and damages to be paid to each person whose property is to be taken or injured by the making of such improvement; but if the remainder of the same property, a part of which only is to be taken or damaged by such improvement, shall be benefited by such improvement, then the commissioners, in considering and awarding compensation and damages, shall also consider, estimate and offset the benefits which will accrue to the same owner in respect to the remainder of the same property, and award to him only the excess of the compensation of damages over and above such benefits.

DAMAGES TO BE ASSESSED

SEC. 162. Having ascertained the damages and expenses of such improvement, as aforesaid, the said commissioners shall thereupon apportion and assess the same, together with the cost of the proceeding, upon the real estate, if any be assessable therefor, by them deemed benefited by such improvement, in proportion to such benefit; but in no case shall the amount of such assessment exceed the actual benefit to the parcel so assessed.

ASSESSMENT ROLL

SEC. 163. The assessment roll shall contain a brief description of each tract or parcel of property taken, injured or assessed, the names of the owners thereof, so far as known to the commissioners (and, if unknown, they shall so state), and the amount of damages awarded to, and benefits, if any, assessed against, each parcel of property. The assessment roll shall be footed up and shall show both the total damages awarded and the total benefits assessed, if any. If the whole amount of such compensation awarded, together with the costs of said proceedings, shall exceed the actual benefits to the property subject to the assessment, the commissioners shall so state on such assessment roll, and shall specify the amount of such excess. The commissioners shall also note on the assessment roll the total amount included in the assessment to cover the expenses of the proceeding.

NOTICE OF COMPLETION AND CONFIRMATION

SEC. 164. When completed, said commissioners shall cause to be given ten days' notice, by one publication in the official paper, to the effect that their proceedings have been completed, and that at a time and place therein specified they will attend for the purpose of hearing objections, and that all such objections must be filed in writing with said commissioners at least one day prior to the time of hearing, and that unless sufficient cause is shown to the contrary, the said award and assessment will be then and there confirmed. Said notice shall contain a copy of the assessment roll, as completed, and no objection shall be considered unless the same be filed as herein provided; but the commissioners may, in their discretion, allow any party interested who has accidentally or inadvertently omitted to file his objections as aforesaid, to do so at the time fixed for the hearing.

NEW NOTICE MAY BE GIVEN

SEC. 165. Nothing herein contained shall preclude the commissioners from causing a new notice to be given, specifying a different time and place at which they will attend, for the purpose of hearing the objections to said assessment and for confirmation thereof, in the manner before required, in case the previous notice shall be found incorrect, or in case of absence of the commissioners, or for any other reason that will be satisfactory to the commissioners.

COMMISSIONERS MAY ADJOURN AND REVISE

SEC. 166. The commissioners, or any of them (the others being absent), shall have power to adjourn such hearing from time to time, and they shall have power, in their discretion, to revise and correct the said assessment, and to confirm or set aside the same, and proceed to make an assessment de novo, with or without any further order from the council; and said assessment when confirmed shall be corrected to conform to such confirmation, and shall be final and conclusive upon all parties interested therein not appealing therefrom.

PROCEDURE AFTER CONFIRMATION

SEC. 167. When said assessment is confirmed, it, together with all affidavits of publication and proof of service of notices connected therewith, shall be duly certified to by the commissioners, and filed with and entered in a book kept for that purpose by the clerk, who shall forthwith, under the direction of the council, certify said assessments to the auditor of Kandiyohi county and to the treasurer of the city, as hereinafter provided.

RE-ASSESSMENT

SEC. 168. If said assessment shall be set aside by the commissioners, as aforesaid, or by the court, for any cause, jurisdictional or otherwise, said commissioners shall forthwith proceed de novo, without any further order from the council, to make another or new assessment, and they shall proceed in like manner and give like notice as herein required in relation to the first assessment, and all parties in interest shall have like rights, and the said commissioners shall perform like duties and have like powers in relation to any subsequent determination as are hereby given in relation to the first assessment. Provided, however, that, if the damages or benefits assessed to any parcel of land shall not be appealed from, or shall not have been set aside by the court, the said commissioners in any subsequent assessment may omit such parcels of land as to which the first assessment shall not have been set aside or appealed from, or on which said assessment shall have been paid; and as often as an assessment against any parcel of real estate for any local improvement is set aside the same shall be re-assessed until said property shall have paid its proper proportionate share or benefits accruing from said improvement. Provided, further, that no second or other assessment for benefits can be made against any parcel of land which the court shall adjudge is not benefited by the improvement for which the assessment was attempted to be made, or which the court shall adjudge is not subject to assessment.

APPEAL

SEC. 169. Any party interested in any property taken or damaged in these proceedings, or any citizen of the city or the county, may appeal to the district court of the county in which said property is situated from an award or assessment of damages in the manner provided for hereinafter.

DIVISION II

WHERE THERE CAN BE NO ASSESSMENT FOR BENEFITS
PROCEDURE

SEC. 170. Whenever, in cases of condemnation of any such property set forth in Section 153 of this chapter, where there can be no assessment for benefits, all of the acts and proceedings required to be had and done in Division I of this chapter, in proceedings where there may be an assessment for benefits, shall be had as required in Division II hereof, where there can be no assessment for benefits, except that the commissioners in the latter case shall in no event make an assessment for benefits. And all the provisions of said Division I of this chapter shall, so far as applicable, apply to and be in force hereunder in Division II hereof, to condemn property where there can be no assessment for benefits.

COMPENSATION OF COMMISSIONERS

SEC. 171. Whenever any commissioners appointed under the pro-

visions of this chapter shall have confirmed their assessments or their award, and certified and filed with the clerk such assessments and awards, and all appeals have been disposed of, and they shall have finally completed their work as such commissioners, the council shall pay them such reasonable compensation for their services as it may deem just.

EFFECT OF AWARD

SEC. 172. Whenever an award of damages shall be made and confirmed and not appealed from, in any proceedings for the taking of property under this chapter, or whenever the court shall render final judgment in any appeal hereunder the rights of all parties in said matter shall be finally fixed and determined thereby, and the same shall constitute a lawful and sufficient condemnation and appropriation to public use of any property or rights specified in Section 156 of this chapter for which damages are so awarded, and every right, title and interest therein and thereto and every lien thereon shall be thereby divested, and the city shall become vested with and entitled to and become the owner of the property taken and condemned, absolutely, for all purposes except as to lands taken for street, alley or highway purposes, in which the city shall only acquire an easement for such purposes. And the city shall be bound to and shall, within one year of such final determination, pay the amount of such award with lawful interest from the date of the final award or confirmation thereof, or judgment of court as the case may be; and if not so paid judgment therefor may be had against the city. In case there is any doubt as to who is entitled to such compensation or damages, or any part thereof, the amount so awarded or in doubt or in dispute shall be by the council appropriated and set apart in the treasury for whoever shall establish his rights thereto by a proper judicial proceeding and the production of a certified copy of his judgment, and in all cases, before payment of any such award, the owner of such property or the claimant of the award shall furnish satisfactory evidence to the council of his rights to such award.

ABANDONMENT

SEC. 173. The City of Willmar may, by resolution of the council, at any time before the confirmation by the commissioners of their award of damages or benefits, or, in case of an appeal, within twenty days after the final determination thereof, abandon such proceedings, and shall thereupon pay the cost thereof.

DESCRIPTIONS TO BE RECORDED

SEC. 174. Upon the completion of any proceedings under this chapter for the acquisition of any property by the city the council shall cause an accurate description of the property so taken to be prepared, with a statement of the amount of damages, if any, awarded and paid or to be paid, to the former owner thereof, and cause its mayor and clerk to acknowledge the same for the city, and cause the same to be recorded in the office of the register of deeds of the county in which such property is situated; and it is hereby made the duty of such register of deeds, upon being paid his statutory fees, to record such statement in some appropriate book in his office, and such record, or a duly certified copy thereof, shall be prima facie evidence that the City of Willmar is the lawful owner of such property.

PART II

LOCAL IMPROVEMENTS

DIVISION I

PROCEDURE FOR MAKING IMPROVEMENTS—GRANT OF POWERS

SEC. 175. The City of Willmar is hereby authorized to fill, excavate, grade, level, pave, re-pave, curb, wall, bridge, gravel, macadamize, sprinkle, plank, sweep or light any street, avenue, lane, alley or highway, and keep the same in repair; also, to fill, excavate, grade, improve, protect and ornament any park, public park, square or ground; also to construct, improve, or ornament any park, boulevard or grass plat; also, to plant and protect shade and ornamental trees along streets and avenues; also, to construct, lay, re-lay and repair sidewalks, water pipes and water mains, sewers, retaining walls, gutters, drains and pipes for surface water and private drains in, over or under any street, lane, alley or highway; also to abate nuisances; also, to drain lowlands within the city when they constitute a nuisance, and the whole or any part of such expense of such improvement may be subject to the provisions hereinafter contained, defrayed by an assessment upon the real estate benefited thereby, in proportion to such benefits, or upon the basis of the frontage of the parcels of property affected, without regard to valuation, to be determined and levied in the manner hereinafter provided.

SEC. 176. The city council shall have power to levy special assessments upon property benefited by the construction or extension of any water or sewer main. Upon determining the necessity for the construction or extension of any such water or sewer main by a resolution adopted by the affirmative vote of six aldermen or upon the receipt of a petition signed by the majority of the owners of the property to be benefited by such water or sewer main, praying for the construction or extension of the same, the city council shall, by motion, direct the city engineer, or such other officer or agent as it may direct for this purpose, to prepare an estimate of the probable cost of such water or sewer main, and certify the same to the city council. Upon receipt of such estimate, the city council shall, if it determines to proceed, determine by resolution what proportion, or the total as the case may be, of the cost shall be assessed to property benefited, and it shall thereupon become the duty of the city clerk, with the assistance of the city engineer, to prepare estimates of the assessments necessary to be levied upon the several parcels of property benefited to realize the sums required, and report the same to the city council. Unless otherwise directed by the city council such assessments shall be made upon the basis of the frontage of the parcels of the property affected. The City Council shall thereupon proceed to consider such estimates and may alter or revise the same, and adopt them in the form of a proposed resolution which shall also contain a provision setting a date not earlier than ten nor later than fifteen days thereafter, and calling a public hearing thereon, at which the city council will sit for the purpose of hearing objections or protests to the proposed assessments. Upon such preliminary adoption of such proposed resolution it shall be the duty of the city clerk to mail to the last known post-office address of the owner of each parcel of property against which an assessment has been levied in such proposed resolution a notice of such assessment and of the hearing thereon, and to cause such proposed resolution to be published for one week in the official paper of the city. Upon the date appointed the city council shall sit to hear protests or objections to the proposed assessments, and may adjourn from time to time until such hearings are complete. The city council may then alter or revise such assessments as may be deemed

proper. At the close of such hearing such resolution or revised resolution shall be put to the vote of the council and if adopted shall be final as to such assessment, provided, that the city council shall have the power to levy supplemental assessments in case the actual cost of such water or sewer main or extension thereof exceeds the estimates made; and provided further, that the council shall refund any assessment or part thereof which may have been unjustly or illegally collected. If the cost of the construction of the water or sewer main or extension thereof does not amount to so much as the sum of the assessments levied on that account, the excess shall be pro rata refunded in cases where the total assessment has been paid, and the uncollected assessments or balances thereof shall be pro rata reduced by the city council.

In any case where any assessment or any part thereof as to any lot, lots or parcels of land assessed under any of the provisions of this section, for any reason whatsoever, is set aside, the council may cause a re-assessment or a new assessment, to defray the expenses of such improvement, to be made.

Upon the final adoption of the resolution levying special assessments, the city clerk shall certify a copy of the same to the city treasurer to be spread upon his records, and shall mail to the last known post office address of each owner of any parcel of property affected a statement of the amount assessed against each such parcel. Such notice shall include a statement that the whole or any installments of such assessment may be paid to the city treasurer, without interest, at any time within thirty days (except that such period shall not extend beyond the fifteenth day of October thereafter) and that if such assessment is then unpaid it will draw interest from the date of expiration of such period of 30 days at the rate of interest to be paid on the certificates of indebtedness hereinafter provided for, and that if such assessment remains unpaid upon the fifteenth day of October next thereafter, it will be certified to the county auditor for extension upon the tax rolls and collection as hereinafter provided. Such assessment shall be payable in not to exceed ten equal annual installments, as the council shall determine in the resolution making the levy. On the fifteenth day of October of each year the mayor and the city clerk shall certify to the county auditor a list of all parcels of property on which any installment of any special assessment shall be due, stating the amount of the assessment or assessments or installments thereof then due, and of the amount of interest which shall be due on all deferred and uncollected installments of such assessments on the date when the next collection of the taxes shall be due. It shall be the duty of the county auditor to spread such amounts upon his rolls and the same shall be collected in the same manner and the time as taxes are next collected upon the parcels of property. A separate special assessment fund shall be provided for each improvement and the proceeds of such special assessments, when received by the city treasurer, shall be placed in the appropriate fund and shall be used only in payment for work done or material furnished in the construction or extension of the water or sewer main, or in payment of certificates of indebtedness issued on that account, or as refunds of assessments as hereinafter provided.

The city council shall have power to issue certificates of indebtedness of the City of Willmar, bearing interest at not more than six per cent per annum, and to sell the same for not less than par and accrued interest, to an amount for each such water or sewer main, or extension thereof, not in excess of the difference between the sums already received in payment of the special assessments and the estimate or actual cost of the construction of such water or sewer main, or extension there-

of. An amount of such certificates shall mature each year, as nearly as may be equal to the amount of the installments of the special assessments to be collected that year. Certificates of indebtedness may also be issued under like terms, representing the part of the cost of the water or sewer main or extension thereof which is a charge against the City of Willmar, or which is to be paid from taxes or from the earnings in case of a water or sewer main, maturing in equal annual installments for not more than ten years. All or any such certificates shall be redeemable by the city at any interest paying date, upon thirty days' notice to the holder of the certificate to be redeemed. The credit of the City of Willmar shall be pledged for the payment of such certificates of indebtedness, but they shall be paid first from the proceeds of special assessments; second, from the earnings in case of a water or sewer main, if any there be, and third, from taxes levied for this purpose.

The amount of any such certificates at any time outstanding shall not be included in determining the city's net indebtedness under the provisions of this charter or any applicable law. Nothing contained in Sec. 96 of this charter shall be construed as limiting or abridging the power of the city to issue certificates of indebtedness on account of the construction of sewer or water mains.

SEC. 177. The city council shall have power to improve any street or streets or any alley or alleys by laying and maintaining pavements, gutters and curbs thereon of any material which it may deem suitable or by grading or gravelling the same. The cost of any such improvement may be assessed upon the abutting property based upon the number of feet fronting upon such street or alley proposed to be so improved, or upon the basis of benefits, but the council shall pay the cost of a pavement across intersecting street and alleys and one half of the cost of pavement opposite any public park or municipal property, and may issue certificates of indebtedness for the city's share of the cost thereof, as provided herein or a part of the expense of the improvement. The improvement of two or more connecting streets may be included in one proceeding and conducted as one improvement.

No action shall be taken for the making of any such improvement except upon the adoption of a resolution to that effect by a two-thirds vote of all the members of the council after a meeting at which property owners whose property is liable to be assessed therefore, have been notified to be present, by notice of such meeting published for two weeks in the official newspaper, and by personal notice mailed by the city clerk to the last known post-office address of each such property owner at least ten days before such meeting.

Before making any such improvement the council may by resolution require the owners of the abutting property to lay branch sewers and water pipes from the mains to the curb or lot lines of each lot, and in case any property owner neglects to lay such sewer or water pipe within sixty (60) days after having been served with a copy of such resolution, the council may cause the same to be put in and may assess the cost of the same against the property and collect the same as taxes are collected. All such water pipe connections shall be of such material as the council may prescribe.

After the council has determined to make any such improvement and a contract therefor has been let and awarded, the clerk, with the assistance of the engineer or other person selected by the council to perform the duties of engineer, shall forthwith calculate the proper amount to be specially assessed for such improvement against every as-

sessable lot, piece or parcel of land within the district affected, in accordance with the provisions of this section, without regard to cash valuation, and the proposed assessment so made up shall be filed with the clerk and be open to public inspection. The clerk shall thereupon under the council's direction cause notice of the time and place when and where the council will meet to pass upon such proposed assessment, to be published in the official paper at least one week prior to such meeting of the council.

At such meeting the council shall hear and pass upon all objections thereto, if any, and may, if it deems it just, amend such proposed assessment as to any lot or lots, and upon the adoption by resolution of such assessment, the same shall constitute the special assessments against the lands named therein. Such assessments, with the accruing interest thereon, shall be a lien upon the property included therein, concurrent with general taxes, and shall be payable in equal annual installments extending over such period not exceeding twenty (20) years as the council may by resolution determine, the first of said installments to be payable on or before the first day of June following the adoption of the assessment, and all deferred payments shall bear interest at the rate to be paid on the certificates of indebtedness herein provided for to be payable annually and computed from the period of thirty (30) days following the adoption of the assessment. It shall then be the duty of the clerk immediately thereafter to transmit a certified duplicate of such assessment to the county auditor of the county to be extended on the proper tax lists of the county, and such assessments shall be collected and paid over in the same manner as other municipal taxes; provided that the owner of any property, so assessed, may, at any time, pay the whole of such assessment, or any annual installment thereof with interest, as to any lot, piece or parcel of land affected thereby.

In case of omissions, errors, or mistakes, in making such assessments, in respect to the total cost of such improvement, or otherwise, it shall be competent for the council to provide for and make supplemental assessments to correct such omissions, errors or mistakes.

After a contract or contracts for the making of any such improvement shall have been entered into by the city council, it may issue certificates of indebtedness of the said city in such amounts as may be necessary to defray in whole or in part the expense incurred or to be incurred in making such improvement. The word "expense" shall be construed to mean and cover every item of cost of such improvement from its inception to its completion, and all fees and expenses incurred or to be incurred in pursuance thereof. Such certificates shall be payable in annual installments as near equal in amount as conveniently may be, over a period not exceeding twenty (20) years from their date, shall bear interest at the rate of not to exceed six per cent, payable annually, or semi-annually, which interest may be evidenced by appropriate coupons and shall be in such form and denominations, all as the council shall by resolution determine, and shall be signed by the mayor and countersigned by the clerk. A separate special assessment fund shall be provided for each improvement and the proceeds from the sale of any certificates issued on its account shall be placed in such fund. The council shall provide moneys for the payment of the principal and interest of said certificates, as they severally mature, which money shall be placed in such fund and into such fund shall also be paid all moneys received from the payment of any liens created under the provisions of this section. And the council shall pay the principal and interest of any such certificates out of any funds in the treasury when the moneys on hand

in the appropriate special assessment fund are insufficient to meet the payment of the principal or interest when the same matures, but the fund from which such moneys have been taken or used for the payments of such principal or interest shall be replenished with interest at the rate of six per cent per annum from the collection of unpaid assessments on account of such improvements.

In any case where any assessment or any part thereof as to any lot, lots or parcels of land assessed under any of the provisions of this section, for any reason whatsoever, is set aside the council may cause a re-assessment or a new assessment to defray the expenses of such improvement, to be made.

Any party desiring to object to the assessment or his duly authorized agent or attorney, shall on or before the date of final hearing upon such assessment, file with the clerk a written statement of the objections and all objections not specified therein shall be deemed waived.

The amount of any such certificates at any time outstanding shall not be included in determining the city's net indebtedness under the provisions of this charter or any applicable law.

Nothing contained in Sec. 96 of this charter shall be construed as limiting or abridging the power of the city to issue certificates of indebtedness on account of the making of any improvements under this section.

SEVERAL IMPROVEMENTS

SEC. 178. One or more of such improvements upon one or more streets may be made at the same time, under one order and in one assessment proceeding, and may in that case be included in one contract; but in such case the expense of each improvement shall be separately apportioned and assessed upon the several parcels of land benefited by such improvement in proportion to such benefit.

APPLICATION

SEC. 179. All applications, proceedings or propositions for any improvements authorized in Section 175 of this chapter shall be made to or emanate from the council. Any such application or petition made to the council shall be in writing, and if made by owners of property liable to be assessed therefore shall state the place of residence of each signer and shall specify the real estate owned by each signer which he believes will be benefited by the improvement thereunder, and such petition shall be verified by the oath of such signer, and shall be prima facie evidence of its own genuineness and of the facts therein stated, and shall be preserved in the office of the clerk.

CONTRACT AND ASSESSMENT

SEC. 180. When the council shall authorize any improvement described in Section 175 of this chapter it shall cause the work described in said order to be let and done by contract, as in this charter provided, or, for good cause shown and where it appears that a saving can be effected, the council may, upon a three-fourths ($\frac{3}{4}$) vote of all the members thereof, purchase the materials or commodities necessary in open market or provide that the work necessary be done by day labor.

RAILWAYS

SEC. 181. When, in any case, any portion of the cost and expense of making any improvement mentioned in Section 175 of this chapter

shall, by virtue of any law or ordinance or by virtue of any contract, be chargeable upon any railway or street railway company, the amount so chargeable may be assessed against such property, and the balance only upon such real estate to be benefited thereby; and the city may collect the amount so assessed against said railway company by distress and sale of personal property, in the manner provided for by the general laws of this state in the case of taxes levied upon personal property, or by suit brought to enforce the collection of any indebtedness; provided, however, that any real estate belonging to such railway company and subject to assessment and deemed benefited by any such improvement, shall be assessed as in other cases.

NOTE—Sections 182, 183 and 184 were repealed in 1921.

APPEAL TO DISTRICT COURT

SEC. 185. Any person interested in any property assessed under this chapter for benefits resulting from any improvement, or any citizen of the city, or the city, may appeal from such assessment to the district court of Kandiyohi county within thirty days after the date of confirmation thereof, and such appeal is hereby declared to be the conclusive way in which said assessment can in any wise be reviewed, modified or annulled, and this shall be construed to apply to all appeals allowed by this chapter.

PROCEDURE ON APPEAL

SEC. 186. Said appeal shall be made by serving a copy of notice of appeal upon the clerk of the city, stating that the appellant appeals to the district court from said assessment, which notice shall contain a description of the property so assessed, his interest in said appeal, and the objection of the appellant to such assessment, and by filing with the clerk of said court, within ten days thereafter, said notice of appeal with proof of service thereof. In case of an appeal it shall be the duty of the clerk of the city within ten days after service upon him to prepare and deliver to the appellant a copy of the assessment roll as confirmed.

It shall be necessary to include in such copy only those pages of said roll which are pertinent to the property involved in such appeal, which copy within fifteen days after the taking of such appeal, be filed by the appellant in the office of the clerk of court to which the appeal is taken. The district court may, for good cause shown, grant further time for filing such certified copies, or may, when necessary, require a further return to be made. The cause shall be entered by such clerk in the name of the person taking said appeal against the city as an "appeal from assessment," and it may be brought on for hearing by either party.

PROCEDURE IN COURT

SEC. 187. Such appeal shall be tried by the court, without a jury, at a general or special term, without pleading, other than above stated. Upon such trial the appellant can make no other objections to said assessment than those stated in his notice of appeal, but the court may, in its discretion, permit such notice to be amended in this respect at any time. The court shall hear such competent evidence as may be offered by either party, and may revise, correct, amend, reduce or confirm the assessment appeals from, or may offer new assessments to be made as to the property concerning which such appeal is taken, and in that event shall direct the commissioners how to make such re-assessment so as to avoid the errors complained of.

The court shall not dismiss the appeal, or confirm or annul the as-

assessment, on the ground that only a portion of the assessment roll has been returned; but either party may introduce the whole of said roll in evidence, and the same shall, in all cases, whether on said appeal or otherwise, and in all courts, be prima facie evidence of the validity of all proceedings up to and including the confirmation of the assessment.

Disbursements, but no costs, may, in the discretion of the court, be allowed upon such appeal as in other civil cases; but any judgment entered therefor against said city shall be a separate judgment and paid out of the general fund of the city. Upon the determination of said appeal by the district court either party may appeal to the supreme court of the state.

RE-ASSESSMENT

SEC. 188. The council may re-assess any parcel of land for benefits for local improvements when deemed necessary and proper by them.

And said council is hereby authorized, in its discretion, to levy an additional assessment upon parcels of land benefited by such local improvement in all cases where it shall be found that the actual cost of making said improvement has exceeded the total amount of benefits already assessed, and in such case such additional assessment shall be for such additional cost, and in such case like notice shall be given and similar proceedings had in all respects as in making said original assessments.

WHEN ASSESSMENT A LIEN

SEC. 189. From and after the date of the confirmation of any assessment as provided in this charter such assessment with interest thereon shall be a lien on all property affected thereby.

NOTE—Sections 190 and 191 were repealed in 1921.

OMISSION OF ASSESSMENT ON CORNER LOTS

SEC. 192. The council may, in its discretion, in case of any corner lot, when one frontage of such lot has been fully assessed for laying any water main or sewer, in case like improvement is to be made along the street on the other frontage of such lot, omit the assessment for such new improvement on such lot to an extent not exceeding a frontage of ninety feet of any such lot as it may deem just; but the discretion of the council in such matters shall be final, and the refusal or failure of the council to make such omission shall not be ground for setting aside such assessment in any court or proceeding.

PART III

MAKING OF IMPROVEMENTS

DIVISION I

PROVISIONS OF CHAPTER X TO APPLY

SEC. 193. Except as herein otherwise provided, the provisions of Chapter X of this charter shall apply to contracts mentioned in this chapter in like manner as to other contracts of the city.

PLANS, PROFILES AND SPECIFICATIONS TO BE MADE

SEC. 194. Whenever any public improvement shall be ordered to be let for which an assessment is to be made as aforesaid the council shall cause a plan or profile of the work proposed, together with the speci-

fications for the doing of the same, to be prepared, which shall be deposited with the clerk, and kept by him at all times open for the public inspection. If the permanent improvement revolving fund shall contain sufficient funds to pay the estimated cost of the proposed improvement in addition to the cost of all other improvements then under construction or contract, but not otherwise, the council shall, after the making and filing of said plans, profiles and specifications, cause proposals for doing such work to be advertised for. Provided, this shall not apply to street sprinkling, cleaning or building sidewalks.

RIGHT TO SUSPEND WORK

SEC. 195. The right shall be reserved in said contract to the engineer, with the consent of the council, in case of improper construction, to suspend the work at any time or to order the entire reconstruction of the same if improperly done.

ESTIMATES

SEC. 196. In the course of the proper performance of a contract the council may, from time to time, not oftener than once a month, as the work progresses, allow to the contractor estimates of the amounts already earned, less 15 per cent thereof, which, when ordered by the council, shall entitle said contractor to receive the amount so allowed out of the money applicable to the payment of such work. When the whole work has been completed by such contractor to the satisfaction of the council the balance due may be audited and allowed by the council on a final estimate by the council, and shall be payable out of the moneys applicable to the payment of such work.

GUARANTY OF DURATION

SEC. 197. Whenever necessary or advisable, in case of contracts for permanent improvements, the contract may provide that the city shall reserve upon the completion of the work such sum and upon such conditions and for such length of time as the specifications shall specify, as a guarantee for the duration of the work performed under such contract.

COUNCIL TO COMPLETE WORK

SEC. 198. If in the opinion of the council any work under contract does not progress each month so as to insure its completion within the time named in the contract, the council shall have power to furnish and use men and materials to complete the work, and charge the expense thereof to the contractor, and the same shall be deducted from any money due or to become due such contractor, or may be collected from him or the sureties on his bond in a suit by the city.

PROPERTY OWNERS MAY CONSTRUCT STREETS

SEC. 199. Property owners shall be allowed to construct streets and other public improvements upon, along or through their own property, at their own expense, in such cases and upon such terms and under such regulations as the council may prescribe from time to time by ordinance.

PART IV

SIDEWALKS

PLANS AND SPECIFICATIONS

SEC. 200. The council shall by resolution adopt and cause to be filed for inspection in the office of the clerk general plans and specifica-

tions to apply to and govern the building, relaying and repairing of all sidewalks in the city.

From time to time in each year the council shall cause invitations for bids to be published in the official paper, in the same manner and for the same length of time as is required in the case of other public improvements, for building, laying and repairing all sidewalks that may be ordered by the council during the calendar year. The bids therefor shall be received and opened, contract let and bond given in the same manner provided in this chapter for other public improvements.

GRANT OF POWERS—DUTIES OF OWNERS

SEC. 201. The city shall have the right to cause to be constructed sidewalks along any of the public streets and highways of said city that it may deem necessary, and cause the same to be relaid, repaired or removed when necessary; and it is hereby made the duty of all owners of land adjoining any street or highway in the city to construct, relay, repair or remove such sidewalk along the side of the street or highway next to the land of such owners respectively as may have been heretofore constructed or as shall hereafter be constructed or directed by the council to be built, and the same shall be constructed of such material and width and according to the plans and specifications adopted by the council therefor.

HOW ORDERED

SEC. 202. Whenever the council shall deem it necessary that any sidewalk in the city shall be built or relaid, it shall, by resolution, direct such building or relaying, according to the plans and specifications adopted therefor.

Personal notice by the publication of such resolution once in the official paper shall be sufficient notice to the owners of the lands along which such sidewalk is to be built to construct the same, and unless such owners shall each, along his respective land, construct and fully complete such sidewalk within thirty days after the publication of such resolution or the service thereof upon him as aforesaid the council shall forthwith proceed to build or relay the same under contract, as hereinbefore provided under the direction of the street commissioner, who shall at once file with the clerk his report of such work.

Within ten days after the filing of said report the mayor and clerk, acting as commissioners therefor, shall ascertain the expense of such building or relaying, and assess and levy such expense upon and against each lot and parcel of land upon which such sidewalk shall front, in accordance with the provisions herein made.

REPAIR OF SIDEWALK

SEC. 203. If the owner of any lot or parcel of land shall suffer any sidewalk along the same to become broken, rotten or out of repair it shall be the duty of the street commissioner to immediately repair the same in a good, substantial and firm manner and report to the council the cost of such repairs, in each case, with a description of the lot or parcel of land abutting upon the sidewalk on which such repairs are made, and such report shall be carefully filed and preserved by the clerk, and it shall be the duty of the commissioners to assess the cost and expense of making such repairs against said lots, as above provided.

In case any such sidewalk shall become so out of repair as to be dangerous, and cannot be made safe without being rebuilt, and there are no funds to pay the expense of such rebuilding, it shall be the duty of

the street commissioner to remove the same entirely and the expense of such removal shall be added to the cost of rebuilding when the same shall be rebuilt, and shall be collected with the assessment for such rebuilding.

NOTICE OF CONFIRMATION OF ASSESSMENTS

SEC. 204. In the month of September of each year said commissioners shall give ten days' notice by one publication in the official paper to the effect that at a time and place therein specified, not later than the first day of October following, the assessment for sidewalks theretofore made by them will be confirmed unless sufficient cause be shown to the contrary, and that objections to any particular assessment must be filed one day before the time specified in said notice with clerk.

At the time and place specified said commissioners shall meet and shall proceed to the hearing thereof, and shall have the same power to revise, correct, confirm or set aside such assessments, or to proceed de novo, as commissioners have in case of other assessments under this charter, and said assessment when confirmed shall be final and conclusive unless appealed from as in this chapter provided, and said assessment shall be by said commissioners combined in one assessment roll and certified to said clerk, who shall, under the direction of the council, and on or before the tenth day of October, certify the same to the auditor of Kandiyohi county to be collected in the same manner as other assessments made under this chapter.

COLLECTION OF ASSESSMENTS

SEC. 205. The treasurer of the city shall receive payment of all such assessments up to and including December 31st following, and all the provisions of Section 184 of this chapter shall, so far as applicable, apply to and govern the acts and proceedings of all officers relative to the collection of the assessments herein provided for.

PART V

SPRINKLING

POWERS

SEC. 206. The council shall have power, throughout the city, or in such districts as it shall designate to flush with water, or to sprinkle, either with water or with crude oil or other liquid, the streets, highways and public places of said city or to treat the same by applying thereto calcium chloride or some other substance with dust laying properties, as the city council in their discretion may determine and direct, and to assess the whole or any part of the same upon adjacent and abutting property.

PETITION FOR SAME

SEC. 207. Whenever property owners representing at least 50% of the frontage of the abutting real property to be assessed shall petition the council to have any street, highway or public place or portion thereof in said city flushed with water, or sprinkled, either with water or with crude oil or with other liquid, or to treat the same by applying thereto calcium chloride or some other substance with dust laying properties, as the city council in their discretion may determine and direct, and to have the cost thereof assessed against such abutting property, the council shall proceed to consider, investigate and act upon said petition and decide whether the same is necessary and proper. The mayor and clerk, acting as commissioners for that purpose, shall assess the cost thereof by an equal rate per front foot of the parcels of land abutting upon the street or highway flushed, sprinkled or treated with calcium chloride or other substance with dust laying properties, as soon as the cost thereof has been definitely determined, and said commissioners shall confirm their assessments at the time and in the same manner required in Section 204 of this chapter, and all the provisions of said section, shall, so far as is applicable apply to and govern the acts and proceedings of said commissioners under this section, and all the provisions of Section 205 of this chapter relating to the assessment and collection of assessments shall apply to and govern the acts and proceedings of the officers relating to the collection of the assessment herein provided for. The street or portion thereof shall be flushed, sprinkled or treated annually thereafter and the levy above provided for shall be made annually thereafter until the council shall receive a petition signed by the owners of more than 50% of the frontage of the property to be assessed requesting that said improvement be discontinued and the council shall thereupon consider said petition and if it shall determine that it is advisable and proper to discontinue the same, it shall make an order to that effect.
