

WILLMAR FIRE DEPARTMENT

COMMITTED TO EXCELLENCE

2010 ANNUAL REPORT

Established in 1879

About Us

The Willmar Fire Department is a paid-on-call department. Our firefighters carry tone/voice pagers that alert them when they are needed for service.

Below outlines the types of services we provide:

Battalion

- Motor vehicle accidents and vehicle fires

Weather Watch

- Willmar firefighters provide weather watch and severe weather standby. We work together with other emergency service agencies and alongside Kandiyohi County Emergency Management to help spot and provide ample warning for severe weather threats such as tornados.

Mutual Aid

- Other fire departments throughout Kandiyohi County and surrounding areas may request our help at incidents within their jurisdiction.
- Generally, these are large structure or grass fires or other large-scale incidents.

Special Teams/Services

- Hazardous Materials Emergency Assistance Team (HEAT): Comprised of firefighters and other emergency personnel throughout the County.
 - HEAT is specially trained to respond to various chemical spills and other hazardous incidents.
- Technical Rescue Team (TRT): Comprised of firefighters and other emergency personnel throughout the County.
 - TRT is specially trained in confined space, rope, trench and high angle rescues.

Full Department

- ‘*Full department*’ calls make up the remainder of our services. These include anything from the routine fire alarms to grass or structure fires.

Full-Time Staff

Marv Calvin
Fire Chief/Fire Marshal
January 2000 - Present

Rick Johnson
Building/Equipment Maintenance
October 1984 - Present

Terrah Biegert
Clerk/Typist
February 2005 - Present

Our Fire Chief

The Willmar Fire Chief / Fire Marshal is a full-time position whose immediate supervisor is the City Administrator. The Chief has a wide array of responsibilities, some of which include:

- Overseeing the day to day operations of the department, full-time staff and firefighters
- Assuming Command during emergency responses
- Coordinating the City's emergency management plan
- Managing the department budget
- Ensuring the department and firefighters are in compliance with NFPA (National Fire Protection Association) and OSHA (Occupational Safety and Health Association) standards
- Conducting fire investigations
- Assisting law enforcement officials and the State Fire Marshal's Office with arson investigations
- Enforcing the International Fire Code within the community and issuing corrective orders
- Assisting with building inspections for new construction and remodels
- Inspecting and testing fire alarm and sprinkler systems within the community
- Addressing fire code questions and concerns of the public
- Determining and analyzing City water flow

Marv Calvin has been Willmar's Fire Chief/Fire Marshal for 11 years. He has worked in the fire and EMS field for over 33 years.

1927-1928: M.W. Bloomquist	2000-Present: Marvin Calvin

2010 Officers

Willmar Fire Department's Officers are appointed for 3-year terms by an Officer Selection Committee. The City Administrator provides final approval for each new appointment.

Advanced training and established years of experience are prerequisites for becoming an Officer. They take on additional responsibilities and assume critical roles during emergency responses. In most situations, each fire truck responding to an incident must contain an Officer prior to departure.

Officers also assist the Fire Chief with day-to-day operations, assist with incident command and help to uphold the department's disciplinary procedures.

Assistant Chief

Jeff Gilbertson

Deputy Chief – Operations:

Frank Hanson

Deputy Chief – Training:

Gawin Kooistra (thru September 20)

Captains:

Howard Carlson

Kevin Marti

Mark Thompson

Lieutenants:

Jim Larson

Chad Johnson
(Thru July 2)

Josh McGillivray
(Term began August 5)

Craig Baker

2010 Community Events

In addition to the many parades, community/public education visits and public service standbys the fire department regularly participates in, below is a list of the larger events that took place during 2010:

Pancake Feed

June 26

National Night Out

August 3

Home Depot Safety Day

September 18

Story Time at the Fire Station

October 5

Outdoor Community Message Center

Located at the corner of 1st Street and Trott Avenue, our electronic sign is used by many organizations throughout the community to publicize events and relay various messages to the public.

The fire department also displays fire safety tips to help spread our fire prevention message to the citizens.

2010 Pre Plans

Pre Plans are conducted on various commercial and industrial properties throughout the community. These properties are researched by the officers and then presented to the firefighters. This helps to prepare the firefighters in the event of a fire or other emergency at those locations. Items covered include: entrances and exits, fire alarm panel, any hazardous or combustible storage, mechanical and boiler rooms, and locations of post indicator valves and fire hydrants.

Pre Plans were conducted on the following establishments in 2010:

Roosevelt School

Kandiyohi County Rescue Squad

John's Supper Club & East Half of the Block

Sunray Square & Jergenson's Auto

West Half of John's Supper Club Block

Rule Tire

Rice Hospital Cancer Center

Family Dollar

Firefighter Training

Full-department training is generally conducted the first three Thursdays each month. Firefighters train on a variety of subjects including CPR/First Aid, driving, search & rescue, ropes & knots, ventilation and live burns.

In 2010, each of our rookies completed over 75 hours of basic firefighter training.

There was additional focus placed on hazardous materials and technical rescue training this year.

Firefighters are also given the opportunity to attend outside training classes. Many of these courses are taken at Minnesota State Fire/EMS/Rescue Schools conducted by community and technical colleges throughout the state. This also allows the firefighters to meet their 12-hour school requirement placed on them every 3 years.

Total training hours in 2010:

3,354

WFD Response Area

The **orange** shaded areas represent Willmar city limits, which is fully-protected by the fire department.

The area outlined in **blue** represents Willmar Township. The fire department provides services to this area under a fire protection agreement.

The area outlined in **green** represents Willmar Fire Department's response area located in Dovre Township. This area is also covered by a fire protection agreement.

2010 Township Calls

A fire protection agreement exists between the City of Willmar and each of the townships noted below.

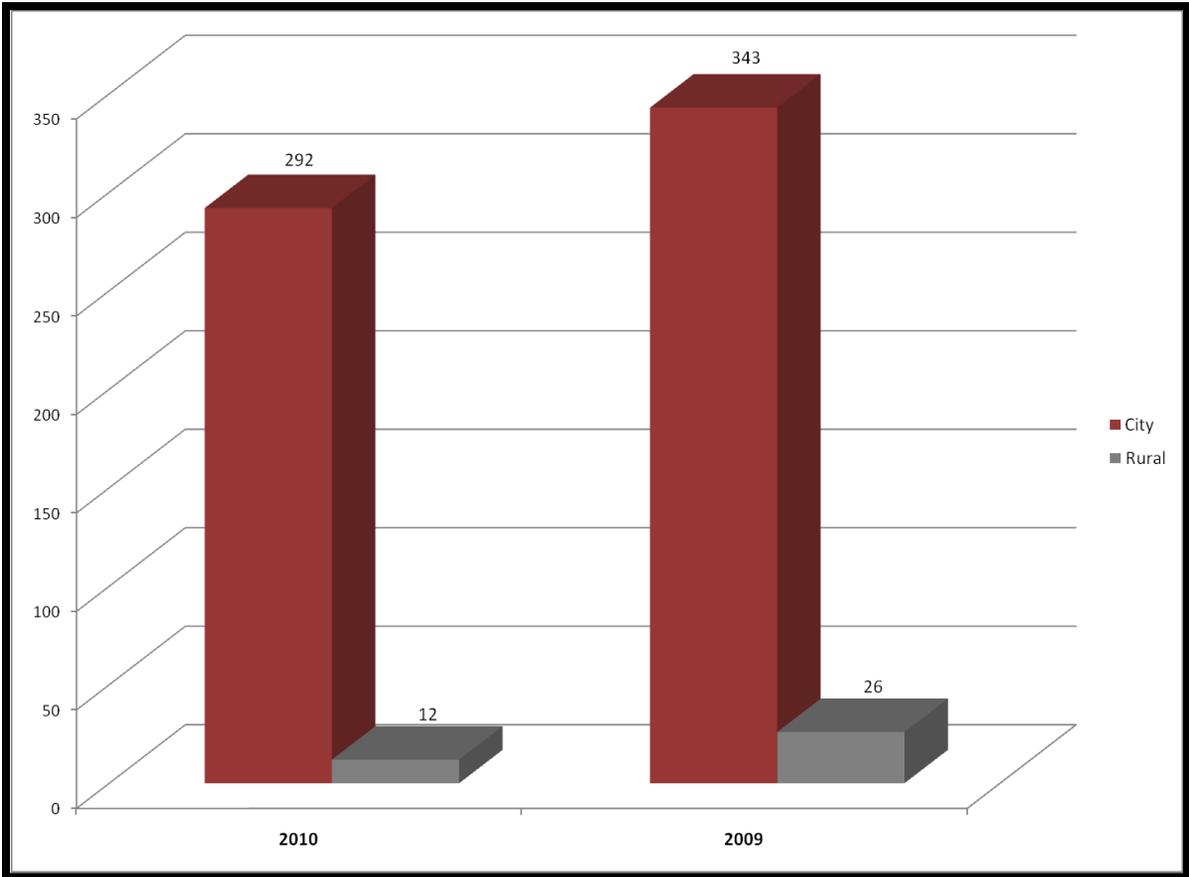

For each rural alarm, fire department staff provides a *Statement of Rural Fire Services Rendered* to the City Clerk's office to be submitted to the appropriate Township.

Listed below are the rural alarms that occurred in 2010:

Dovre Township					
Date	Location	Description	Firefighters Responding	Call Hours	Hours Paid
1/4/10	Horizon Hills Rd & 15 th St.	Snowmobile Fire	20	1	20
4/1/10	296 NW 30 th St.	Brush/Grass Fire	18	2	36

2001	331	14	345

*Also includes mutual aid calls outside City limits

2010 Mutual Aid

The fire departments throughout Kandiyohi County and the surrounding area provide assistance to each other in the form of manpower and equipment.

Mutual aid is requested for a variety of reasons including the need for water, manpower or equipment, a department already being engaged in a separate incident, weather factors or the fire is just too large.

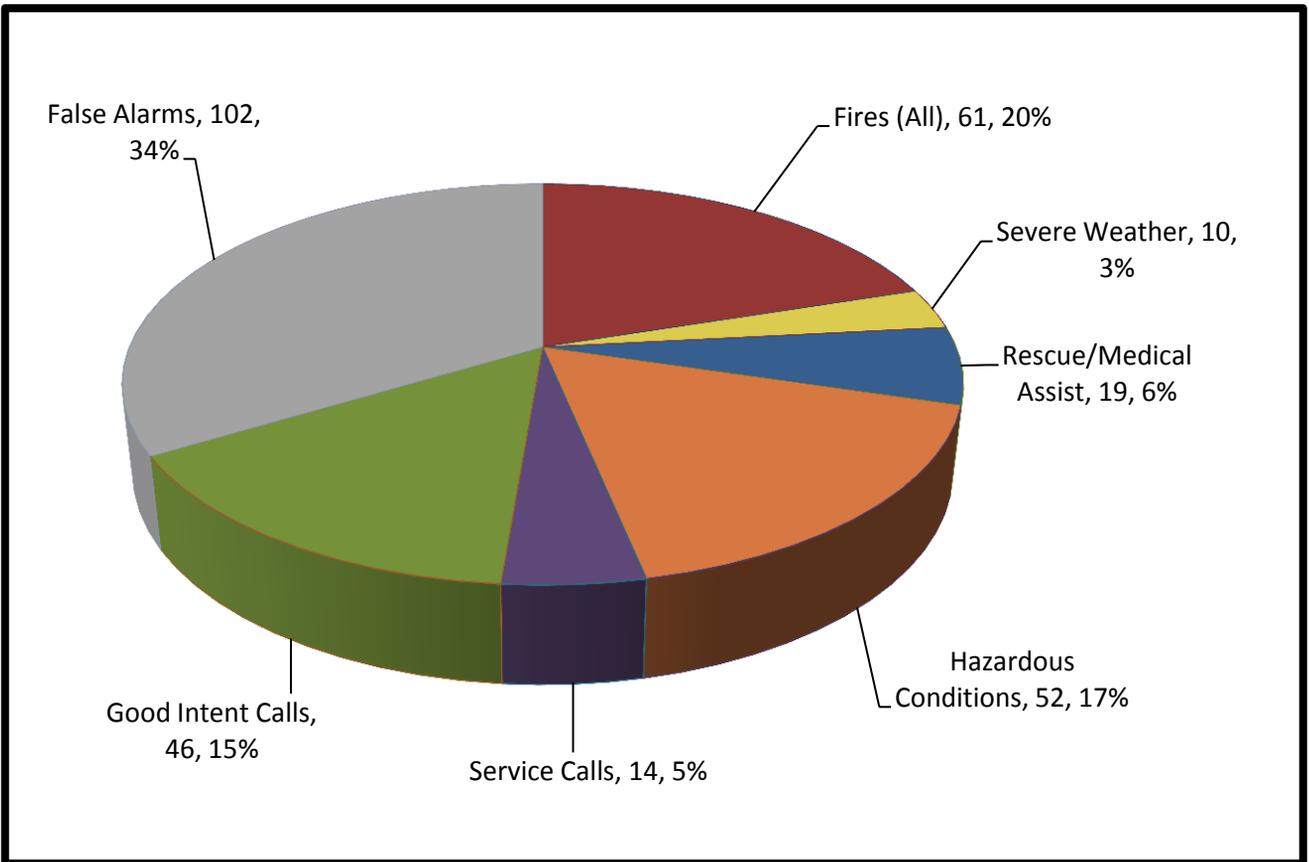

Mutual Aid Given

Date	Department	Description
3/26/10	Kandiyohi	Building fire (cancelled)
5/28/10	Spicer	Rescue (cancelled)
10/6/10	New London	Chemical spill
11/3/10	Atwater	Grain bin fire

Mutual Aid Received

Date	Department(s)	Description
3/27/10	Kandiyohi, Pennock	Building fire
4/1/10	Spicer	Brush fire
4/20/10	Kandiyohi, Spicer	Brush fire
8/17/10	Pennock, Raymond	Building fire
8/30/10	Pennock, Raymond	Building fire
10/27/10	Pennock	Manpower for alarm (WFD already on a call)
12/17/10	Pennock, Raymond	Building fire

2010 Incident Types

2010 False Alarms

As shown above, approximately one-third of our calls turn out to be false alarms. The fire department allows 5 false alarms at each address per year (July 1 through June 30). Each additional false alarm costs the venue \$250.

Most false alarms are caused by faulty alarm/sprinkler systems or user errors.

During 2010, the Willmar Fire Department responded to 102 false alarms. 15 false alarms were billed out and 1 was suspected of being malicious.

Fire Origin Report

The following lists the areas in which fires were suspected to be ignited during 2010.

Fortunately, many of these fires were minor and extinguished prior to the fire department's arrival and had no significant dollar loss.

Area	#	% of Fires	Est. \$ Loss	% of Loss
